CHARACTER

www.artplus.cz is an exclusive tool for effective orientation in the Czech art and antiques market. The site has an extensive database and news-analysis section, responding to current events in Czech and foreign markets.

The website was created in close collaboration with art + antiques magazine, the only monthly magazine in the Czech Republic providing important news in art, architecture, design and antiques, with fifteen years of publication behind it.

ART + is a unique source of specifically aimed information, regularly drawn upon by ČTK (Czech Press Agency) and the most-popular domestic media, and often quoted on prestigious sites providing information on the foreign art market.

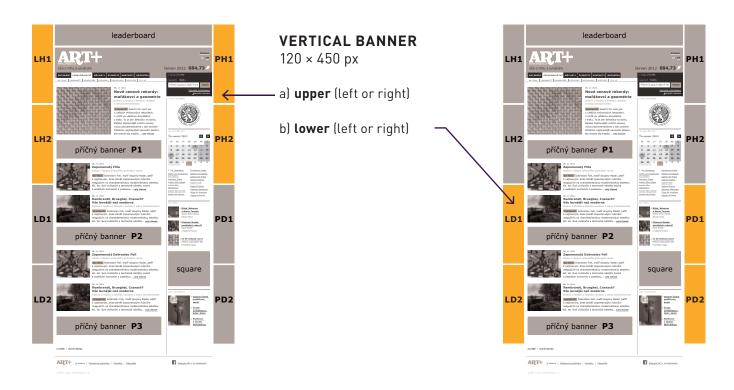

REGULAR PROMOTIONAL EVENTS

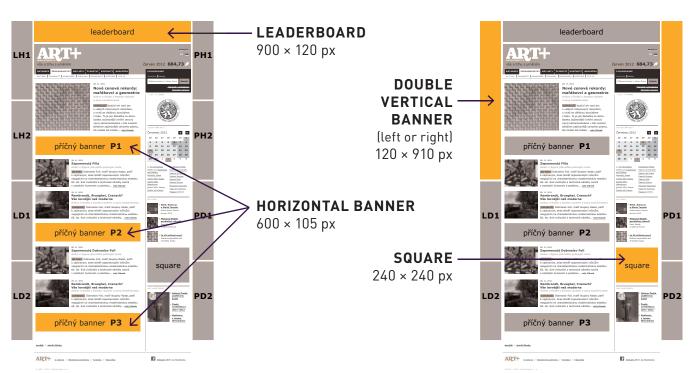

- mailing campaign to authorities in the field and cooperation with them (art gallery owners, antique dealers and auction houses, art historians, universities, public museums and galleries, Association of Galleries of the Czech Republic, authorised experts, collectors, economists ...)
- regular press conferences summarizing events on the Czech market for art and antiques
- regular promotions in partner auction houses' auction catalogues
- NEWSLETTER sent monthly to more than 15,000 interested persons
- privileged access for art + antiques magazine readers
